COACH Spotlight

Jen Nielson - Jen has coached cheerleading for us for the past few years. This past season was unique in that the Pee Wee and Small Fry teams were absorbed into one, meaning that Jen and the girls would cheer for both our Pee Wee and Small Fry football teams on the same night. They carried this momentum into the playoffs, where they cheered for all 4 playoff games, leading both teams to championships in their respective divisions. We appreciate Jen for her incredible organization and leadership of her teams, which are usually larger than most recreation teams, and her willingness to adapt to unforeseen changes. Thank you Jen, for all you have done for the Hanahan Recreation Department.
